District Wide	Proposed Change
Overnight Charge  (i) To encourage longer stays in the evening  (ii) The introduction of a £2 overnight charge has had some unintended consequences resulting in high charges for some short duration parking acts	Amend the overnight night charge period so that it applies from 7pm - 7.30m  Amend the overnight charge so that it becomes a £2 cap once the usual hourly rate charge has reached this amount, rather than an additional £2 flat rate charge
Parking discounts linked to spend	Investigate the most appropriate way to offer parking discounts linked to a minimum spend in stores and restaurants etc.
Parking discount periods	Investigate the most appropriate ways to offer parking discounts on certain days (or parts of the day) in order to attract customers into our towns and city
Targeted discounts/offers from retailers	Investigate the most appropriate way to be able to inform our ANPR account holders (with their prior consent) of retail discounts or offers as they arrive in particular car parks.
Free parking period for blue badge holders	Reduce the free parking period in public car

	parks from 3 hours to 2 hours
